## Languages

Arabic

English

## SUBJECT TEACHING

1. Asphalt Technology.
2. Structural Pavement Design.
3. Mathematics.
4. Capstone BSc Projects.

## RESEARCH INTEREST

- Pavement Materials
- Traffic Engineering

## PUBLICATION

- Number of published papers: 5

## BRIEF SUMMARY

Abdalmhiman Aldahhan is a lecturer in Wasit University, Wasit-Iraq which serves as an academic and faculty member at the Department of Civil Engineering, the College of Engineering at Wasit University. His MSc is from Mustansiriyah University, Baghdad, 2019. He received his BSc (2014) and MSc (2019) in Highways and Transportation, both from Mustansiriyah University.
