SUBJECT TEACHING

- 1- Engineering Drawing
- 2- Computer Drawing
- 3- Hydrology
- 4- Computer Science Basics
- 5- Computer 2

RESEARCH INTEREST

- 1- Water Quality
- 2- Modern Water Quantity and Desalination
- 3- Hydraulic Designs
- 4- Environmental Impacts
- 5- Groundwater Management

PUBLICATION

- Number of published papers: 2
- Number of published books: 0

BRIEF SUMMARY

Assistant lecturer Huda Yousif Enad is an academic and faculty member at the Department of Civil, the College of Engineering at Wasit University. She received her MSc (2021) in water resources and BSc (2016) in Civil Engineering, both from Wasit University, wasit, Iraq.
