

Zahraa Ali Taher

Academic Qualifications

28/11/2021 **Master of biochemistry**
Department of chemistry
College of Science
University of Mustansiriyah

2017- 2018 **Bachelor of Chemistry**
Wasit University
College of Science
Department of chemistry

Scholarships and Awards

- Eight thanking certificates from the Dean of College of Science
- Eight thanking certificates from the President of Wasit University.
- Three thanking certificates from the Minister of MOHE.

Professional Profile

- Ability to lead chemistry laboratories.
- The ability to conduct scientific research.
- Speak Arabic and English.
- Experience working on Word, Excel, PPT and spss programs.

Academic Employment – Teaching and Research

27/8/2025

Tutor- Assistant lecturer

Responsibilities

- Teaching Biochemistry for fourth-year students, Wasit University, College of Science, Department of Chemistry.
- Teaching Biochemistry for third-year students, Wasit University, College of Science, Department of Chemistry.
- Teaching Analytical Chemistry for first-year students, Wasit University, College of Science, Department of Forensic Science.

Employment History – General

2018,2019,2020,2021,2022

2023,2024,2025

Teaching in the chemistry Department, College of Science, Wasit University.

Publications

- Renalase: Gene polymorphism and its association with hypertension in some diseases.
- A Review on nanoparticles as a promising approach to improving diabetes mellitus.
- Investigation on the Insulin Hormone and Its Receptor in Obesity and type 2 Diabetes Disease.
- Impact of Nanoparticles on The Binding of Insulin Hormone and Its Receptors in Sera of Patients with Type Two Diabetes.
- **Book/** Clinical comparison of insulin resistance in sera of obese and type 2 diabetic patients.

Interests

Travel and tourism and reading

Referees

Department of chemistry,
College of science,
University of wasit.
