Academic Qualifications

- 27/3/2021 -Present** **PhD**
Molecular biology- faculty of bioscience- university technology Malaysia (UTM)
- 4/4/2018** **Master animal histology**
Zoology, Department of Biology, College of Science, University of Wasit
Master's Thesis: Histological and ultra-structural study of carbon accumulation in lymphatic tissue in *Anas platyrhynchos* within polluted areas in wasit province
- 10/2011-7/2015** **Bachelor of Science**
Department of Biology, College of Science, University of Wasit

Professional Profile

- Ability to develop goals, objectives and implement strategies through lesson planning and teaching experience.
- Proven ability to conceptualize problems and develop well-reasoned and integrated solutions.
- Working knowledge of Word, Excel and PowerPoint.
- Multi language speaker (Arabic, English, Japanese)

Academic Employment – Teaching and Research

- 1- Lecturer at Al-kut university college, Medical Laboratory technique department
- 2- Lecturer at Wasit university, College of Education and pure science, Biology department.
- 3- Member in Committee of examination
- 4- Member in faculty rescue team
- 5- Member of educational guidance committee
- 6- Work at Gene X research center

Conferences and courses and seminars:

- 1- Participating research in the first international conference for health and medical specialties held at the Central Technical University / Technical Institute – Kut
- 2- Attendance participation in the second and first international scientific conference on applied research and patents held at the Central Technical College – Baghdad

- 3- Attendance participation in the third international scientific conference held by Al-Mustafa University College, Al-Kut University College, AlNisour University College, and the Wady al-rafidain Association
- 4- Attendance participation in the first international conference held online at Wasit University
- 5- Attendance participation in the first conference of Al-Qadisiyah University, held online
- 6- Certificate of passing the modern teaching methods course held at the Center for Continuing Education at the University of Wasit
- 7- Certificate of passing the Arabic language safety course held at the Continuing Education Center at Wasit University
- 8- Certificate of passing the computer competency course held at the Computer and Information Center at Al-Kut University College
- 9- Certificate of passing the teaching validity test at the University of Wasit
- 10- Certificate of passing the teaching validity test at Al Kut University College
- 11- Certificate of passing MQS ISO 9001: 2015 course
- 12- Course certification good laboratory practice GLP according to criteria of OECD on testing and calibration
- 13- Certificate of passing the QMS course for accreditation of laboratory based on ISO 17025
- 14- Certificate of passing the Documentation of quality manual and procedures based on ISO 9001 & ISO 10013
- 15- Certificate of passing GLP Specialized Teaching Laboratories Quality Classification Workshop
- 16- Certificate of passing the online held nucleic acid extraction course
- 17- Certificate of passing an online held Harvard Medical School training course entitled ICU Management of COVID-19
- 18- Certificate of passing a training course from Deakin University, held online entitled Leading culturally diverse team in the workplace
- 19- Certificate of passing a training course from the Mohammed bin Rashid University of Medical Sciences, which was held online entitled Let's break the chain of COVID-19 infection
- 20- Certificate of passing a training course from Harvard University of Medicine, held online, entitled Immunological testing during COVID-19
- 21- Certificate of passing a training course from Harvard Medical School held online entitled: Pregnancy and breastfeeding during COVID-19
- 22- Certificate of passing a training course from St. George university convened online with the title An examination of coronavirus COVID-19
- 23- Certificate of Passing a Training Course from the London School of Hygiene and Tropical Medicine and the UK Public Health Rapid Support Team, which is held online entitled COVID-19: Tackling the Coronavirus
- 24- Certificate of passing a training course from the World Health Organization (WHO), which was held online, entitled Accelerating progress towards health-related sustainable development goals
- 25- Certificate of participation in the electronic scientific workshop held online entitled Gene expression data analysis
- 26- Certificate of participation in the ministerial team's online training workshop entitled Using Microsoft teams to teach university courses online
- 27- Certificate of participation in the scientific workshop that was held online in India under the title The Stress Management during the Lockdown Period of COVID-19
- 28- Certificate of participation in the training workshop, which was held online in cooperation with Liverpool John Moores University, entitled How to get published in high-impact journals
- 29- Certificate of participation in the training workshop that was held online in cooperation with

Lund University Faculty of Medicine-sweden, entitled Coronavirus (COVID-19)

- 30- Certificate of attendance at the scientific symposium entitled Modern Molecular Studies in Cancer
- 31- Certificate of participation in a workshop titled Instructions for Academic Promotions 167 of 2017 and approved and unapproved journals
- 32- Certificate of attendance at a workshop entitled Leishmaniasis: Treatment and Vaccination
- 33- Certificate of participation in a workshop entitled Instructions for New Promotions and knowledge of approved and fake magazines
- 34- Certificate of participation in a workshop entitled National Classification of Private University Universities and Colleges
- 35- Certificate of participation in the online held scientific workshop entitled Introduction to the micro-controllers and arduino
